#1303

SUBJECT: 2014 Investor's Group Provincial Championship Bid Package

Attached you will find the 2014 Investor's Group Provincial hosting bid application package. Hockey Alberta is looking for interested associations to submit their bids to host one of the many championships that will be competed for in the late March time frame.

This past season the Springbank Association and Girl's Hockey Calgary hosted very successful championships, and we are hoping that other associations may wish to host in 2014. The goal of Hockey Calgary would be to host at least 1 Female and 1 Male championship in our city each year.

For the upcoming season Hockey Calgary will once again be participating in the following divisions:

- Midget AA Major, AA Minor (Div. 1), A (Div. 2), Female A, Female B
- Bantam AA Major, AA Minor (Div. 1), A (Div. 2), Female A, Female B
- Peewee AA Major (Div. 1), AA Minor (Div. 2), Female A, Female B
- Atom AA Major (Div. 1), AA Minor (Div. 2), Female

Please note that two ice surfaces are required to host these 10 team tournaments

I know this is very early to start thinking about Provincial Championships, but we felt it necessary to get the information out as early as possible so that associations can properly prepare and secure ice in advance if they are interested.

Please read and disseminate the Hockey Alberta information to the appropriate people within your association, if you have any further questions please contact the Hockey Calgary office.

Regards,

Kevin Kobelka
