From: Kevin Kobelka – Executive Director
CC: HC Board of Directors

SUBJECT: Dec 2 – Game Cancellation Policy & Procedure

There have been numerous calls regarding playing games this evening, Dec. 2, 2013, considering the adverse weather and road conditions that we are facing in Calgary and surrounding area. As the governing body of Hockey in the Calgary area, player safety is paramount, both on and off the ice, therefore our decision regarding the games this evening is as follows:

- The games will proceed as planned
- If 1 or both teams do not wish to play the game it will be cancelled
- No suspensions or penalties will occur for not playing the game
- The games will **NOT** be re-scheduled, all games not played will be recorded as a 1-1 tie
- If the game is cancelled you must communicate to the following groups ASAP:
 - o Referee Coordinator or Central Zone Referee Association
 - o Hockey Calgary (pam.douglas@hockeycalgary.com)
 - o Your League Chair

Thank you for your support and please drive safely. If you have any further questions please contact the Hockey Calgary office.

Regards,

Kevin Kobelka
Executive Director
