League Operating Changes

2020-21

A player and family-centered change...

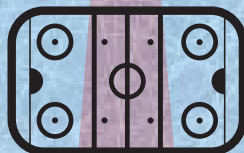

HOCKEY CALGARY

More meaningful games!

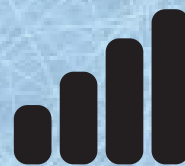

More regular season games
counting towards playoff position
and provincial participation.

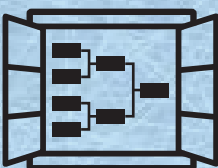

All games considered for reseed!

All games will be completed in
seeding round prior to any deci-
sions on movement.

Appropriate level sooner!

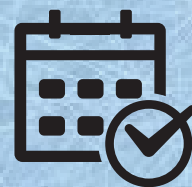

Teams moved, Divisions finalized,
and balanced competition achieved
more quickly than in years past.

Designated Tournament Windows!

7-9 weekend opportunities to travel including
'schedule window' during the regular season

Scheduling Consistency!

Small pilot project scheduling consistent games
days for selected age categories and divisions.

Hockey Canada Alignment!

Designated development phase,
seasonal breaks, and increased game-
play in the latter half of the season

Increased Family Time!

Seasonal breaks, later U9
start times on weekends,
'Schedule Window' flexibility,
& no games on family day.

Rural League Alignment!

Shorter seeding round aligns with
rural leagues allowing opportunity for
exhibitions & tournaments

Better ice & fee utilization!

Member fees will be spent better as the
ice utilization across the city is improved

Manager & Coach Support!

U7 scheduling to reduce burden on new
managers & coaches to scheduling games.
