***Respect In Sport** - All registered team officials must be certified in the Respect in Sport - Activity Leader (not to be confused with the Parent module). The old Hockey Canada Speak Out Abuse & Harrassment program certification is grandfathered and equivalent to Respect In Sport - Activity Leader

****Hockey Canada Safety Program** - One registered team official must be certified in the Hockey Canada Safety Program and MUST BE IN ATTENDANCE AT ALL GAMES. It is strongly recommended that all members of the Bench Staff possess the Safety Qualification.

******Checking Skills** - All head coaches of Atom and above teams must have completed the Coach Instructional Stream - Checking Skills certification. If you have previously taken the Hockey Alberta Checking Skills course you are grandfathered for the new certification. The new Checking Skills includes an on-line HU course

Deadline to complete your certification is November 15, 2017
