All in for FESP

We want you to focus on your putts, not your wallet! Pre-purchase an “All in for FESP” add-on to access all tournament activities including:

- 2 mulligans
**1 mulligan per 9 holes. Cannot be used on the hole-in-one competitions*
- Entry into 3 jersey draws
- Entry into all on-course activities
- Entry into KidSport putting contest

Proceeds of the add-on go directly to support kids in the community!

\$80
per player

ABOUT THE

Hockey Calgary, KidSport, the Flames Foundation & Canadian Pacific have teamed up to support the Flames EvenStrength Program (FESP). This initiative helps alleviate the cost of playing hockey for children in our community who face financial barriers to participating in organized sports.

Since 1998, the program has distributed over \$3,200,000 in support of local minor hockey players so they can play the game they love.
