

Village Kids **HOCKEY CALGARY**

Village Kids is excited to be a part of your first experience with hockey! The VK team is offering a fun off-ice program that builds physical skills, social connections and confidence that will carry over from the ice to home, school and playground.

Early sport experiences set the foundation to acquire skills that help our children prepare for the rest of their lives. Village Kids is built on a passion to help develop, nurture, and support kids to be the best they can be, both in and out of sport.

Each Timbits Learn to Play hockey participant will be able to register for one 45-minute session during the week. Parents and guardians are encouraged to participate in these indoor off-ice sessions.

WHAT TO BRING:
