

HOCKEY CALGARY

Recommended Candidate Summary

Name: Geoff Schneider

Nominated for: Director-at-Large

Area of skill/expertise complimentary to our current Board of Directors:

- Knowledge and expertise in the area of sports best practices and evidence based decision making
- Critical appraisal and effective translation of research evidence for review by the Board of Directors
- Policy development and youth protection and safety

Summary of Interest and Ideas on Future Priorities for Hockey Calgary:

"I would be honored to continue another term on the board at Hockey Calgary to facilitate the mission and vision of Hockey Calgary in being leaders in providing a safe and optimal environment for the development of the life and hockey skills of our youth. With my medical and research background I would assist the organization in fostering injury prevention and evaluation, and the promotion of a safe environment for the young athletes. With my partnerships and collaborations with other health professionals and researchers across the country, I will assist Hockey Calgary in being leaders in the provision of a healthy environment in the best interest of hockey players and their families.

Summary of Experience:

- Chair of Lifemark Clinical Research and Education Committee
- Past Chair of Orthopedic Division of the Canadian Physiotherapy Association and current board member
- Director-at-Large board of directors for Hockey Calgary (Chair of the safety committee)
