APPENDIX K1 - IIHF INTERNATIONAL TRANSFER REGULATIONS

I The International Transfer Card (ITC)

1 General Information

- 1.1 Players - men or women - who wish to move from one country to the member national association of another country to compete in a national competition under the jurisdiction of the member national association which leads to a championship are required to apply for a transfer by means of the IIHF transfer card. Players under 18 years of age may be transferred by means of a letter of approval. (Refer to Chapter 4 of these regulations for these procedures)
- 1.2 A valid international transfer card (ITC) must be properly completed and signed by the player, by the former member national association, by the new member national association and confirmed by the IIHF. All information on the transfer card must be properly completed before it can be processed and approved by the IIHF.
- 1.3 The transfer becomes valid by the date of the IIHF confirmation. From that date the player is under the jurisdiction of the new member national association. The member associations concerned will receive a copy of the ITC confirmed by the IIHF. The player may start to play for his new club only when the new member association has received the approved ITC confirmation from the IIHF office.
- 1.4 In the case of a player playing without a valid ITC, the new member national association, the new club, the player and if applicable the new league shall be subject to disciplinary procedures of the IIHF as set out in section III of these regulations.

2 The Transfer Procedure

- 2.1 The player transfer procedure must be prepared first by negotiation of the two clubs concerned. Items to negotiate include the length of the contract and the corresponding length of the transfer. Following an agreement between the two clubs to transfer the player, the new club to which a player wishes to transfer, must begin the transfer process by acquiring and completing the ITC with the details and signatures of the player and the new member national association and must immediately inform the former club and send the ITC by way of the new member national association to the former member national association for their approval.
- 2.2 The former member national association shall immediately inform the former club and forward the signed ITC to the IIHF office, or submit the reasons for refusal of the transfer with all the relevant evidence to the IIHF office, at the latest 7 days after the receipt of the ITC. The former member national association may not refuse to sign the transfer card unless the player wishing to transfer has not fulfilled his contractual obligations to his former club, has not fulfilled financial commitments to his former club such as

unpaid debts or has not returned the club's equipment, or other issues between the two clubs regarding the player transfer other than issues concerning compensation (for professional players please also refer to section II of these regulations). If the IIHF office does not receive any reply within the 7 day period or receives a refusal of the transfer without clear reasons, it will be regarded as an approval of the transfer.

- 2.3 If the transfer is refused by the former member national association the IIHF office will immediately inform the new member national association with a copy of the objections as submitted by the former member national association. The new member national association is responsible to inform the new club and the player about the refusal.
- 2.4 The player is entitled to appeal to the IIHF General Secretary against the refusal of his transfer. In the appeal the player must provide the reasons for his transfer with all relevant evidence and address the objections submitted by the former member national association. The IIHF office will immediately inform the former member national association about the appeal and provide a copy of the appeal to the former member national association.
- 2.5 If within seven days the IIHF office does not receive any objections against the reasons for refusal of the transfer from the player, it will be regarded as withdrawal of the transfer application.

If within seven days the IIHF office does not receive any objections against the player's appeal from the former member national association, it will be regarded as consent with the transfer.

- 2.6 If objections are received from either the player or the former member national association, the case will be investigated and decided within seven days by the IIHF General Secretary. His decision may be appealed to the IIHF Executive Committee within seven days by the player or the former member national association.
- 2.7 Any party deemed by the IIHF office to have raised an unsubstantiated objection to a transfer may be referred to the Disciplinary Committee for possible sanction.
- 2.8 A player cannot transfer during the period when he is under suspension by the IIHF or by his member national association (when such suspension is recognised by the IIHF).

An unlimited transfer application must be accompanied with a completed 'Unlimited Transfer Card Request' included in these regulations

If no exact duration is specified on the ITC, the transfer will automatically terminate on June 30th of the current season, returning the player to his former member national association on that date.

3.3 If a player who has obtained a limited transfer wishes to play for another club within the new member national association, he must obtain written approval from the former member national association. A copy of such written approval must be filed with the IIHF before the player may begin to play with the new club.

3.4 If a player wishes to return to his former member national association before his limited transfer automatically expires, a new unlimited ITC must be processed following these regulations. For such transfers the 'Unlimited Transfer Card Request' does not need to be completed.

3.5 If the term of a limited transfer is to be extended, a new ITC must be processed following these regulations.

3.6 If a player wishes to transfer to a new member national association during the duration of his limited transfer, a new ITC will be required.

The new ITC shall be approved by the national association in which the player is currently playing. The duration of the limited transfer cannot be changed. Written approval is required from the former national association, which originally approved the limited transfer.

3.7 If the ITC when received by the IIHF office is not marked limited or unlimited as to duration, it will be regarded as a limited transfer and will expire on June 30th of the current season.

3.8 If a new member national association has a complaint against a player who has played in that national association during his limited transfer, then the complaint must be lodged in writing with the players former member national association and the IIHF within 15 days of the expiration of the player's limited transfer.

3.10 A player who has obtained a limited transfer and wishes to change the transfer to an unlimited transfer during the period of the limited transfer may do so by following the procedure outlined in Article 2. As a matter of clarification, any player who wishes to transfer from a non-member organisation to an IIHF member national association will be subject to the IIHF Statutes & Bylaws and Regulations upon signature of the ITC Card. Thus these regulations including any sanctions will apply to the transfer of such players.

6 Try-Out Exhibition Games

Written permission may be granted from a player's former member national association permitting that player to participate in exhibition games during a specified time period not to exceed 15 days from the first game that he plays. During this time period the player is under the jurisdiction of the member national association in which he is playing and is subject to the disciplinary procedure of the IIHF.

7 Fax Approval Procedures

- 7.1 In order to expedite the player transfer procedure; the new member national association may request approval for a transfer by fax. A photocopy of the completely filled in and signed ITC must be faxed by the new member national association to the former member national association for approval. Should everything be in order, the former

member national association must then immediately sign and fax the photocopied card to the IIHF for processing. The IIHF will issue a 30-day temporary fax approval to the new national association allowing the player to play immediately. The new national association shall immediately send with their fax the original ITC to the former member national association for their signature. The former member national association must then immediately forward the original, completely signed ITC to the IIHF office for final processing and approval. This process must be completed within 30 days of the date of the fax by which the IIHF has confirmed the temporary fax approval. After 30 days the temporary fax approval will be terminated.

- 7.2 Should the original ITC not be received by the IIHF and processed within the 30 day period then the new national association may request a second and final fax approval of the transfer by the IIHF, to permit the player to continue playing. Once the second fax approval has been processed, the original ITC will be considered lost and the transfer will be confirmed as complete.

8 Fees

- 8.1 The IIHF Council will establish the IIHF fee for ITC and for fax approvals. The IIHF administration costs incurred by each fax approval will be charged by the IIHF office in each individual case.
- 8.2 A transfer service fee reflects the costs connected with the execution of the transfer procedures. The former member national association shall not charge more than a CHF 500.- service fee for the complete transfer procedure.

9 Distribution of Documents

- 9.1 Distribution of all documents in the IIHF transfer procedure must be executed by registered mail or fax or email.  - 1.1 A limited transfer means that the player transfers temporarily to a specific club under the jurisdiction of the “new” National Association but automatically returns to the former club under the jurisdiction of the former Member National Association when the transfer expires. During the period of the temporary transfer he may still call upon his former Member National Association for support. A limited transfer cannot be limited to less than the period of the player's firm contract with his new club.
 - 1.2 An unlimited transfer means that the player transfers permanently to the jurisdiction of the “new” National Association and ceases to have any connection with, or the option to ask for support from the former Member National Association. If the player wishes to play in the territory of any other National Association including returning to his former Member National Association he will require a new ITC and be responsible for all associated service charges.
2. There are financial implications depending on the choice the player makes – to transfer on a limited or unlimited basis.
 - 2.1 Before signing the ITC the IIHF requires both involved clubs and respective National Associations to carry out certain research designed to protect both the player and the clubs involved. National Associations may charge for this service up to a maximum of 500 Swiss francs. The IIHF will make available ITC's at a cost of 300 Swiss francs per card and make an additional charge of 100 Swiss francs if part of the process has been carried out by fax. The player is responsible for paying these service charges.
 - 2.2 A player who elects to transfer on a limited basis will revert to the jurisdiction of his former Member National Association once the limited period has expired without incurring any service charges at that time.
 - 2.3 A player who elects to transfer on an unlimited basis but then later wishes to revert to the jurisdiction of his former or another Member National Association will have to initiate the transfer procedure as described in 2.1 above and will be responsible for the associated service charges.
3. Other considerations - Before electing to transfer on a limited or unlimited basis you should consider the following:

- It is usual practice for the club to which the player is going to play to pay, or for the player to negotiate his contract on the basis that the club will pay all the service charges. The player should make sure of the position before signing his contract otherwise he will be responsible for the service charges.
- The player may feel more at ease by preserving the link with the former Member National Association. If so, and, if having transferred to a “new” National Association on a limited basis and even in the knowledge that he will be renewing his contract with the same club or staying in the same country, he may elect to transfer for consecutive seasons on limited transfers.
- The player should contact his former Member National Association in order to discuss the consequences that an unlimited transfer may have.

I warrant that I have read understood the choices open to me and that I have had the opportunity to take independent advice in connection therewith, and, I hereby confirm that I wish to transfer from the National Association of _____ to the National Association of _____ on an unlimited International Transfer Card.

THIS AGREEMENT made and entered into this 26th day of February, 2008 by and between:

USA Hockey, Inc., a member of the International Ice Hockey Federation charged with the responsibility for the administration of the sport of ice hockey in the United States of America, with its principal place of business located at 1775 Bob Johnson Drive, in the City of Colorado Springs, Colorado, 80906-4090 (hereinafter to be referred to as "USAH");

Hockey Canada, a member of the International Ice Hockey Federation charged with the responsibility for the administration of the sport of ice hockey in Canada, with its principal place of business located at 2424 University Drive NW, Calgary, Alberta, Canada T2N 3Y9 (hereinafter to be referred to as "HC"); and

Canadian Hockey League, a League of major junior Teams/Players, divided into three (3) separate divisions, with its principal place of business located at 305 Milner Ave., Suite 201, Scarborough, Ontario, M1B 3V4, Canada, (hereinafter to be referred to as the "CHL"),

for and in consideration of the mutual covenants and agreements herein contained, the parties hereby mutually covenant and agree as follows.

WHEREAS, USAH and HC are two Member Federations of the International Ice Hockey Federation (I.I.H.F.) that share a common border in North America, each with Member Teams/Leagues on either side of that common border;

WHEREAS, the CHL is recognized in both Federations as a Major Junior League, operating in three Divisions and including Teams on either side of the common border;

WHEREAS, players are constantly moving across the common border within and between Federations, Leagues and Teams, which movement all parties acknowledge should be reported, recorded, and approved by the respective Federations, all as is required by the Rules and Regulations of the I.I.H.F.

WHEREAS, the best interests of the athletes, teams, leagues, and the parties to this Agreement are best served by the adoption of the process whereby this movement can be facilitated, while respecting both the rights of and the responsibilities to the participating athletes, as well as the teams, leagues and Federations involved; and

WHEREAS, the parties hereto have reached agreement on the process for the movement of participating players and now wish to reduce that agreement to written form.

NOW, THEREFORE, for and in consideration of the mutual covenants and agreements herein contained, the parties, hereto, hereby mutually covenant and agree as follows:

ARTICLE I – APPLICABILITY

Unless otherwise provided for in this Agreement, the provisions contained herein shall apply to and govern the movement of any and all eligible, players between the teams/leagues who are members of and/or sanctioned by any party to this Agreement. The principle responsibility for the enforcement and administration of the terms and provisions of this Agreement shall rest upon the Federations involved, through the process provided herein.

ARTICLE II– PLAYER ELIGIBILITY

A. General Statement Of Principle

The eligibility and qualifications of the player must first be determined before the authorized movement of any eligible player(s) can occur by and between teams/leagues who are members of or sanctioned by the Federations who are signatory to this Agreement. The movement of eligible players shall require and be based upon a properly completed, duly executed, release from the Player's Outgoing Team; a properly completed Transfer from the Outgoing Federation; and payment of sums due for the Release and/or Transfer or the completion of satisfactory arrangements therefore, unless otherwise provided herein. Persons who do not qualify as "eligible players", as defined herein, do not require a release payment to or a release from any outgoing team but still require a transfer from the Outgoing Federation, which transfer shall not be unreasonably withheld.

B. Ineligible Players

The following players shall be considered ineligible for transfer to another Federation under this Agreement and shall not be eligible to participate in any try-out, practice, regular season game competition, or Team function, until the Transfer shall have been issued by the Outgoing Federation, or agreed arrangements are in process therefore.

1. Players under Disciplinary Suspension For Actions During a Game

Any player who is under a disciplinary suspension for a game or League violation, imposed prior to and unrelated to that player's departure from their Outgoing Team/League/Federation, can sign a Try-Out Notice but can not complete the transfer process until the Incoming Team/League/Federation shall require the suspension to be served in its entirety per the terms established by the outgoing Team/League/Federation. Provided, however, that the enforcement shall be dependant upon the player being afforded a right of appeal by his Team/League/Association/Federation, and all appeal processes in place shall have been exhausted, or the player has failed to file an appropriate appeal contesting the suspension on a timely basis,

within the time limits as prescribed by the appropriate Team/League/Association/Federation. The foregoing shall, in addition, be subject to the terms and provision of Article VI – Dispute Resolution Process, of this Agreement.

2.Players Under Suspension – Other than For Actions During a Game

Any player who has been disciplined by his team for an act or an omission that is not a result of actions on the ice, and placed under suspension, shall be entitled to be treated in accordance with the existing Rules of Appeal, as adopted by the player's Outgoing Team, League, Association, and/or Federation. The player shall be notified of the suspension in writing by his Team, which notice shall identify the reason for his suspension, and shall advise the player of the appeal process that is available to him to dispute the suspension. Any appeal process shall, at the minimum, entitle the player to a hearing notice of the hearing date, place and time; advise the player that he has the right to be represented by Counsel; give the player an opportunity to make a full presentation to the appeal body; the provision of an impartial hearing panel or third party to whom the appeal is to be presented, and that the player has the right to cross-examine any witnesses called by the charging party.

It is possible that the player may have an appeal to his Team, to the League in which he plays, and/or to his National Federation, and the player will have to exhaust all appeals available to him prior to applying for a transfer to the incoming Federation. Such appeals shall be conducted within the procedure and timelines as adopted and provided in the Constitutions/ By-Laws/Regulations of the Outgoing Team's League, Branch, Association, Affiliate, District and/or Federation. Any adjournment or continuance of any hearing, or the date thereof, at any level shall require the player's written consent.

Prior to the Incoming Federation accepting the transfer, it shall satisfy itself that all appeals have been exhausted on a timely basis in the Outgoing Federation, and that the appeals have been conducted in accordance with the provisions required as contained herein.

The Incoming Federation shall obtain information from the player, the former team, the former League, and determine whether the player should be declared eligible to participate, and when. Prior to the player participating in any regular season competition, the Incoming Federation shall first obtain the concurrence of the Outgoing Federation regarding the date on which the player shall be allowed to participate in regular season competition.

In the event that the Outgoing Federation fails to provide its consent, then the matter shall be referred to the Dispute Resolution Process (see Article VI) and the decision reached by use of the process provided herein shall be final and binding.

3. Players with Delinquent Economic Responsibilities

No player shall be transferred by any team or Federation to the other who has not made satisfactory arrangements/payment for any and all delinquent obligations owed by that player to their former Outgoing team/League before they leave that Team/League and Federation.

4. Players With Medical Disabilities

Any player with a medical disability, which in the opinion of his treating physician shall extend beyond the current season, shall be ineligible for transfer between teams and Federations. Any player or interested incoming team may challenge the treating physician's opinion by securing, at their own expense, an independent, medical evaluation of the player's medical disability by a qualified medical physician skilled in the field of medical care required by the disability (e.g. orthopedic surgeon for broken bones, neurologists/neuro surgeon for head concussions, etc.). Should the independent medical examiner's report dispute the findings and opinion of the treating physician and authorize the disabled player to return to competition before the end of the current regular season, the player shall be free to move to the incoming team and return to competition upon payment to the Outgoing Team of the applicable amount set forth in the schedule for pre-season movement. Should the Outgoing Team dispute the findings of the Player's Medical Evaluation, the player shall submit to further medical examination by a qualified medical physician (as defined above) as may be agreed by and between the parties. If the parties shall fail to agree, then the Chief Medical Officers of each Federation shall jointly select a qualified, reasonably convenient, and available Medical Physician to perform the Independent Medical Examination of the player. Once the Independent Medical Examiner is selected, each party shall immediately forward a copy of their examining physician's report, including copies of x-rays, and all test reports upon which their examiner relied. The medical exam of the player shall then be scheduled as soon as possible, at the Appealing Team's expense. A copy of the Independent Medical Examiner's Written Report shall be forwarded contemporaneously to both the Appealing Team and the Player or his designated representative. If the Independent Medical Examiner confirms the player's medical condition as reported by the player's Medical Examiner, the player movement shall be confirmed. Should the Independent Examiner confirm the Outgoing Team's Examiner report, then the player shall be immediately ineligible to continue competition for the Incoming Team and the player shall be returned to the Outgoing Team's Medical Suspension List. The Outgoing Team shall refund the payment made by the Incoming Team, less any expense incurred by the Outgoing Team to secure the Independent Medical Evaluation. Any disputes arising during this process shall be referred to the Appeals Committee, pursuant to the process set forth in Article VI of this Agreement.

5. Dual Citizens

Players claiming dual citizenship must, at their first registration or affiliation in junior hockey, determine under which citizenship the player chooses to play.

In order to take advantage of this dual citizenship option, a player must file his dual citizenship claim with the player's incoming Federation and both Federations, USAH and HC must acknowledge the player's dual citizenship status prior to the player participating in a junior hockey game as a player or an affiliate. In addition, once the dual citizenship status has been determined, this shall govern and control the player's rights/responsibilities under the USAH/HC/CHL Transfer and Release Agreement, where it would be necessary to file forms based

upon the Agreement, complete all requirements necessary prior to be eligible to compete for his Incoming Federation's team.

Proof of a claim for citizenship would be made by attaching a copy of the player's passport page showing photo and passport number, or a certified copy of the player's certificate of birth abroad. A copy of all citizenship claims filed with the player's incoming Federation, shall be forwarded by the incoming Federation to the outgoing Federation. In the event of any dispute regarding the player's claim of citizenship, the issue shall be resolved pursuant to and by the use of the procedure set forth in this Agreement in Article VI – Dispute Resolution Process.

It is agreed that the purpose of the within provision does not allow a player or team to avoid the requirements of the Release/Transfer provision of the within Agreement, but it will permit the Federation for which he is registered to determine whether the player meets the definition of an import as determined by the Federation.

It is agreed that once a player with dual citizenship has declared which citizenship the player will participate under, the player is not eligible at a later date to revoke, amend, or change his declaration of citizenship. Further, if the player transfers from the Federation where he was registered at the time of the filing of his citizenship declaration as permitted by the terms of the within Agreement, the player will be classified as an import to the extent the term import as determined to be in effect by the signatories to this Agreement as at April 1, 2007, notwithstanding any regulations which may be currently in effect in the Incoming Federation.

C. Players Who Are Involuntarily Moved

1. All Teams/Players Other Than CHL Teams/Players

Any properly released and transferred player who is subsequently and involuntarily traded to another team within the Incoming Federation, must comply with the trade and then complete the Trade Consent Form accepting the trade, or refuse the trade, and complete the Trade Refusal Form. The Consent/Refusal Forms shall be filed with the Incoming Federation, with a copy also forwarded to the Outgoing Federation, within ten (10) days after the trade/movement is finalized or if not filed, the player will be deemed to have refused the trade/movement. By refusing the trade, the release and transfer of the player is revoked and the player may return to compete in his Outgoing Federation. Copies of the completed Trade Consent/Refusal Form(s) shall be forwarded by facsimile (fax) transmission or such other electronic means as may be agreed between the Federations.

Within five (5) days from the filing of the Trade Consent/Refusal Form(s), the player who refuses the trade must return to the Outgoing registered team on whose roster he last appeared, if he has remaining eligibility at that age level. If the player no longer has age eligibility to play for that team, or if the player's previous team fails to make arrangements to re-roster the player within the five (5) day period set forth above, the player shall then become a free agent. The player movement provided for herein shall be subject, however, to the restrictions set forth in Article II, paragraph A, above.

2. CHL Team(s)/Player(s)

It is agreed that CHL Teams are considered and treated by third parties as being professional. Therefore, the signing of a contract with a CHL Team is the equivalent of signing a professional contract. Further, that by signing a contract with a CHL Team, the player agrees to be bound by the terms of that contract, including the method of terminating the contract, which must be in accord with the terms contained in the contract itself.

Provided however, that a player who signs a CHL Team contract which contains a provision that he may be traded to another CHL Team, must acknowledge his acceptance of that provision, by either signing or initialing adjacent to the trade provision portion of the CHL Contract , in order to be bound by any trade. If the player contract is executed in accordance with the terms set forth above, the player shall be bound thereby and he shall forfeit the opportunity to exercise rights contained in this Agreement. Absent an acknowledged trade provision, the player shall be free to exercise his rights as provided in Article II, Paragraph B (1), above, and further in this Agreement.

Provided further, that the CHL agrees to modify its standard form Player Contract to include a statement to the effect that the signing of this contract and competing for this team may have an effect on the eligibility of a player for competition in an NCAA sanctioned program. The player must acknowledge this provision by initialing or signing his name next to it. Absent the player's acknowledgement, the player is free to exercise his rights as provided in Article II, Paragraph B (1), above, and further in this Agreement.

In summary, provided that the CHL Player Contract has been executed in accordance with the terms set forth above in this sub-paragraph, then the player shall be bound by the terms of the CHL Player Contract and shall not be able to exercise any rights as contained herein, including, but without limiting the generality of the forgoing, Article III-Transfers Timelines and Article VI-Dispute Resolution.

D. Payment of Fees

In addition to Article II, Paragraph A, above, no player shall be eligible for competition under the jurisdiction of the three parties to this Agreement, unless, and until all required fees, both transfer and release, have been paid or satisfactory arrangements made therefore, as provided herein.

E. 16 year old player or younger, transferring from USAH to the CHL or participating as an affiliate player in the CHL

In the event that a player wishes to transfer to the CHL from USAH, or participate as an affiliate player, that player shall be required to complete the USA Hockey Parental Consent form, along with the standard transfer form and standard player release or player affiliation consent form. The consent form must be received ten (10) days prior to approving the USAH/HC transfer form or participating as an affiliate player.

Upon completion of the parental consent form, the completed form shall be forwarded to USAH, which shall review and forward a copy of the signed form to HC.

Upon receipt of the signed form, HC shall provide a copy of same to CHL for distribution to the Incoming Team.

Prior to a player being eligible to compete for the Incoming Team, the player must be eligible for competition by all the terms of the within Agreement. The execution of the consent form alone does not provide any authority for the player to participate.

In the event that the player is unable to complete the consent form, that player is not eligible to utilize the provisions of Article VI – Dispute Resolution. In the event that a consent form is signed, then the player shall be entitled to use the provisions of Article VI as provided in the within Agreement.

ARTICLE III –TIMELINES

All new eligible player transfers must be executed between June 1 and February 10 in each playing season. However, no new transfers will be permitted between December 23 and January 2 during each playing season, in order to ensure that players are not required to relocate during the holiday season.

A. Try-Out Period – The End of Previous Regular Season Through the Commencement of the Next Regular Season

1. Time for Contact With Players

a. Recruitment

From and after February 10, of the current playing season, team rosters are frozen until the end of the player's current regular league season, and Teams are not permitted to commence the process of contacting any outgoing players until that time. If a player's team has been eliminated from further play during the current season by the team's elimination from or non-qualification for the play-offs, any communication with such a player shall not be considered tampering. Unauthorised contact between a team and any outgoing player in which the team is interested prior to the end of the player's current regular season shall be considered tampering.

Member teams may file a dispute with their domestic federation in the event there is an issue of tampering. The member team shall be eligible to utilize the provisions of Article VI – Dispute Resolution Process.

b. Try-out Evaluations

After completion of the player's current season, or April 1, whichever shall last occur, a "try-out" period is designed to initiate the transfer process between teams in both Federations. An Incoming Team may avoid tampering charges/consequences, in either Federation, by completing and filing a Try-Out Notice prior to allowing the incoming player to try-out for a domestic team.

The procedure and significance of the Try-out Notice is as follows:

i. Tryout Notice

The Try-Out Notice is a form prepared and approved by both Federations, which shall be filed at the appropriate time when an incoming player desires to compete for a roster spot on an incoming Junior Hockey Team. The Try-Out Notice must be signed by the incoming player, an Official of the Incoming Team, and forwarded to the Incoming Federation, who is responsible for insuring that the form is correctly completed. A Try-Out Notice shall be filed for each team whose camp a player attends. Copies of all Try-Out Notices filed on behalf of an incoming player shall be forwarded to all teams that have filed a Try-Out Notice for that player, as well as the outgoing team on whose current roster the player appears.

Once correctly completed, the incoming Federation shall file the Try-Out Notice with the outgoing Federation and the incoming player shall then be permitted to

participate, on a Try-Out basis, with the incoming Team. It shall be the responsibility of the outgoing Federation to make sure that a copy of the Try-Out Notice is also sent to the outgoing Team on whose roster the player currently appears in his outgoing Federation. The appropriate place to file the Try-Out Notice is with the Director, Regulations and Legal Affairs, of HC and the Junior Registrar of USAH, who shall forward a copy to the International Department of USAH. The Try-Out Notice expires at midnight preceding the day of the incoming team's first regularly scheduled league game of the current season, as that schedule has been forwarded to and placed on file with the Team's National Federation, and no player can be placed on a Try-Out Notice after that date by any incoming team.

Release/Transfer Fees are not required to be paid until such time as the incoming/ Try-Out Team proceeds with a full Transfer Application.

Release Fees, which are to be paid or agreed during the Try-out period, shall be calculated subject to the provisions of in Article IV – Compensation – Release and Transfer Fees.

ii. Mandatory Filings

The filing of a Try-Out Notice shall be mandatory from end of regular season (including play-offs, if any), up to and including midnight preceding the incoming team's first regularly scheduled League game of the current playing season, and may not be used/filed thereafter by the incoming team. After an incoming team is in its Active Roster Period, meaning any time after midnight preceding the date of the team's first regularly scheduled League game, the incoming team shall be prohibited from filing a Try-Out Notice for any player who would need to transfer Federations. The only method for any team, incoming or outgoing, who is in its Active Roster period to obtain a player for its Active Roster would be to obtain a consensual negotiated release from the player's current team.

iii. Eligibility

Any player for whom a Try-Out Notice has been properly filed shall be eligible to be placed on a Team's Active Roster and be immediately eligible to compete if the placement on the Active Roster occurs on or before the incoming team's first regularly scheduled League game of the current playing season and the release payment, or satisfactory arrangements for payment, is made before the player enters competition for the Team in the incoming Federation.

During the Try-Out Period, the release payment may be as agreed between the outgoing and incoming Teams, in which case a Release must be executed by the Outgoing Team upon receipt of the payment. If payment is not agreed between the teams, the incoming team may secure the release of an incoming player paying the

maximum amount as provided in Article IV – Compensation – Release and Transfer Fees.

iv. Try-Out Notice Expiration

The Try-Out Notice shall expire at midnight preceding the day of the incoming team's first regularly scheduled League game of the current playing season. Any player who is not moved to the Active Roster on or before that time and date, shall not be entitled to immediate eligibility for competition pursuant to the procedures set forth above. Rather, as noted above, that player will have to await agreement on the Team Release; payment of the amount due, and/or satisfactory arrangements for the Release Payment; the commencement of the processing for the necessary Federation Transfers; and payment of the fees due to commence that process; before the player shall be eligible to compete.

For reasons set forth herein, again, it is most advisable to file a Try-Out Notice for every incoming player who competes for a position on an Incoming Team in order to secure, for that player and his incoming Team, immediate eligibility for competition when adding the player to the Active Roster prior to the incoming team's first regularly scheduled League game of the current playing season.

B. Active Roster Period – From the Team's First Regularly Scheduled season Game through January 10/January 15

A certified Active Roster and Game Schedule must be submitted by each Member Junior Team to its Federation on or before the 1st regularly scheduled season game of the current playing season. This submission shall be on a standard form designed to clearly indicate the number of incoming imports from any Federation who is a party to this Agreement and the date, time, and location of all games in which the team intends to compete during the current league season.

Players who appear on an Active Roster after midnight preceding the date of the first regularly scheduled game of the current playing season and have participated in current season competition shall only be permitted to transfer with the consent and agreement of that player's team. The payment schedule as set forth in Article IV shall not be applicable to any consensual movement. In the event that teams fail to reach an agreement on a release fee, then the player shall not be permitted to transfer, and shall be denied access to Article VI-Dispute Resolution Process and the process/provisions contained therein.

During the Active Roster Period, Release fees, as agreed between the teams, must be paid in full, or satisfactory arrangements made therefore, before the player shall be eligible to practice or compete for the incoming Team during the current playing season (including play-offs). Failure to remit payment in full, or as agreed, for the player's release renders

the involved player immediately ineligible to participate as an active roster player for the delinquent incoming team.

Upon receipt of the applicable release fees, the playing rights of the involved player shall remain with the new incoming team/Federation for the player's remaining eligibility and, as such, any movement to a team within the incoming Federation shall be regulated solely by that Federation. If at any time the player is involuntarily moved to another Team within the incoming Federation, he shall fall under the forfeiture provisions of this Agreement (See Article II, Paragraph (B) above) and should he refuse to consent to the trade, he shall be authorized to return to the last registered team on which he was rostered in his outgoing Federation, at his option.

Each Federation shall be entitled to make Regulations concerning which team the player would return to in the event that involuntary movement provisions of Article II above applies.

C. Frozen Roster – January 10/January 15 to End of Season

1. Movement Between Junior Teams Prohibited

No movement of Junior players between registered Junior Teams shall be allowed within either or between either Federation from and after midnight on the 10th day of January (HC) or 15th day of January (USAH) of the current playing season. Players' dropped/released, as of January 10 (HC) or January 15 (USAH) of the current playing season, may be rostered on another Junior Team up to and including February 10 of the current playing season.

2. Frozen Roster Date – February 10th

All rosters shall be frozen at midnight on the 10th day of February, of the current season in both Federations and there shall be no changes allowed thereafter for the remainder of the season.

D. Payments/Deposits

1. Release Fees/Deposits

All payments of release fees shall be paid directly by the incoming team to the player's outgoing team, as directed in Article IV, except for CHL Teams. Release payments to CHL teams should be paid to the CHL Office concerned which will in turn send the payment to the team.

2. Transfer Fees

a. Initial Transfer

All transfer fees due each Federation for an initial Transfer of a player to a Member Team in another Federation shall be paid directly to the outgoing Federation, for division, by it, between the Federations involved.

b. Renewal Transfer

There shall be no fee due for a renewal transfer in a player's second and subsequent years either to the outgoing or incoming Federation(s) if the player continues to be rostered on the incoming team on whose roster he appeared at the conclusion of the previous season and the Renewal Transfer is applied for on or before the first day of August prior to the regular league season for which it is applicable. There will be no extensions to file a renewal transfer with no fee beyond the first day of August. Should a renewal transfer be filed after the first day of August the applicable transfer fee will be applied.

E. Transfer Expiration

All player transfers shall expire at the end of the current playing season. Transfers may be renewed, however, in subsequent years without payment of additional transfer fees or release payments (See Article III- Transfer Timelines. Paragraph D - Payments/Deposits). Upon condition that the Renewal Transfer shall be filed with the Incoming Federation on or before the first day of August prior to the regular league season for which it is applicable.

ARTICLE IV- COMPENSATION - RELEASE AND TRANSFER FEES

Payments due to complete the Transfer/Release of players between the Federations are hereinafter set forth or provided for herein:

A. Transfers

1. Procedure

In order to properly apply for a Player Transfer between the two Federations, a Player Transfer Form (a standard form developed for this purpose) shall be properly completed. The applicant incoming team shall then also enclose the player release from the player's outgoing team, and the Transfer Fees due the Federations to complete

the Player Transfer, and forward all these documents to its outgoing Federation, (See Article III- Transfer Timelines. Paragraph D – Payments/Deposits.)

2. Fees

Transfer Fees due the respective Federations shall be established by each Federation and the amount due each Federation shall accompany the Transfer Application for each player to be transferred. Transfer fees shall not be due for renewal transfers in the second and subsequent years where the player is returning to the incoming Team on whose roster he appeared at the end of the previous season. Each Team shall file renewal transfers for all incoming, returning players on or before August 1 of each succeeding year in order to be eligible for the renewal Transfer without payment of any further fee. A full Transfer Fee to both Federations shall be paid for all new Transfers completed after June 1 and for those renewal transfers completed after August 1.

B. Releases

1. Scheduled Values

Release Payments due for outgoing players between the end of the previous regular season (including play-offs, if any) shall be due to the outgoing Team/Federation prior to the first regularly scheduled League game for the incoming team shall not exceed the appropriate amount shown on the table below.

CATEGORY	TRY-OUT PERIOD (US FUNDS)	
	TEAM	FEDERATION
CHL/NTDP	2,500.00	2,500.00
USHL - Canadian Junior A	2,000.00	2,000.00

All Other Junior Players	750.00	750.00
*All Remaining Players	375.00	375.00

*Any player moving to a Junior Team on a permanent basis.

Notwithstanding the foregoing, any player for whom a Release Fee has not been paid, shall be able to return to competition in his Home Federation without the requirement that a release fee be paid.

Each Federation shall be responsible to identify Leagues within their jurisdiction that operate in the various categories/classifications listed in Article IV – Compensation – Release and Transfer Fees.

2. Release Payments

Release Payments shall be sufficient if in the correct amount and forwarded to the outgoing Team entitled thereto by courier, wire transfer, personal hand delivery, etc, or any other manner designed to deliver the payment within no more than seven (7) days following its forwarding. A copy of the payment document shall be filed with the incoming league office. All release payments, or satisfactory arrangements therefore, shall be made by the incoming team prior to the first regularly scheduled League game of the current season, of the incoming team pursuant to the schedule set forth above.

3. Monetary Values

All payments shall be in US Funds or in Canadian Funds of equivalent value.

4. Releases

Player Releases, on a standard form developed for that purpose, shall be executed and returned by facsimile transmission to the incoming team within twenty-four (24) hours of the receipt of the release payment. A copy of the duly executed Player Release shall accompany the Transfer Application, as provided above.

5. End of Season

a. Exhaustion of Eligibility in Junior Hockey

Any junior player who has exhausted their eligibility in the age classification in which they competed during the previous season, shall be free, without restriction or team release to return to their outgoing Federation.

b. Players with Remaining Eligibility Returning to His Incoming Team

Any junior player in their second and/or subsequent year(s) of competition in an incoming Federation, shall be required to secure a renewal transfer, only, without the requirement to secure a Release, and without the payment of any fee for the renewal transfer. A renewal transfer for incoming, returning players shall be filed with the Team's Home Federation on or before August 1 in order to be eligible for the Transfer without further payment of any fees.

c. Players with Remaining Eligibility who are Returning to Their Outgoing Federation.

Any junior player with remaining eligibility who desires to return to their outgoing Federation, shall be required to secure a Release from his current incoming Team, pursuant to the terms and provisions of this Agreement.

6. Immediate Eligibility

All players wishing to transfer to the incoming Federation during the Try-out period shall be immediately eligible to participate, upon the appropriate release payment being paid in full to the outgoing team. Any player wishing to transfer after competing in a current season, regularly scheduled, league game for the team on whose roster he currently appears shall be ineligible to participate in the incoming Federation until the release payment is agreed upon, payment therefore is in process (See Article III – Time Lines. Paragraph D – Payments/Deposits), and the transfer process is initiated with the incoming Federation.

7. Players Released from NCAA with remaining junior eligibility

Players, with remaining junior eligibility, who wish to transfer from a NCAA program are required to secure a release from the previous outgoing team should movement take place during the first season of participation on the NCAA team. Release payment will be based upon the scheduled values listed in the chart (not team to team negotiation). Should a player complete a full season of NCAA and wish to transfer in the subsequent season, a release would not be required from the previous outgoing team.

This provision does not apply to players who go directly to NCAA from the USA Hockey National Team Development Program (NTDP).

C. Federation Guarantee

The payment of all sums due from the teams, as set forth herein, shall be guaranteed by the respective Federation of which the incoming team is a member.

The player's parent must also acknowledge, in writing that they understand the effect that this competition/affiliation may have on the player's NCAA eligibility. The approval must also indicate the number of games the player may play with the Affiliated Team. The domestic team's coach has the right to veto the use of an affiliated player, at any time, should it affect the domestic team's schedule.

A copy of the consent form shall be provided to the Federation where the team wishing to use the player as an Affiliate is registered by fax or electronic transfer prior to the player being eligible for participation as an Affiliate Player.

This Federation shall ensure that the other Federation receives a copy of the consent form by fax or electronic transfer within 1 business day of receipt of the form.

USAH and HC shall provide a copy of the filed reports to its counterpart Federation within 15 days of receipt.

HISTORY OF THE ASSOCIATION

The origin of hockey in Canada has never been definitely established. Claims have been made on behalf of many localities, notably Montreal, Halifax and Kingston and the controversy will no doubt go on as long as the sport continues.

There is no doubt that hockey has been played for a long time in Canada and individual clubs such as the Victoria's of Montreal were known at an early date. Montreal also lays claim to having the first organized league of clubs.

The first organization actually dealing with the administration and development of the sport was the Ontario Hockey Association which was organized on the 27th of November, 1890.

With the passage of the years in other parts of Canada organizations also came into existence and on December 4, 1914, the first meeting to provide for a national body was held in the Château Laurier, Ottawa. While it was fitting that the first meeting should be held in Canada's capital city, the impetus for the organization was provided by a group of men in that Western city which has had such a notable connection with the sport, Winnipeg. The invitations for the meeting were sent out by C.C. Robinson of Winnipeg on behalf of the Allan Cup Trustees and N.H. Crow of Toronto, the Secretary of the Amateur Athletic Union of Toronto.

At the meeting, William Northey of Montreal, Trustee of the Allan Cup was chosen as the chairman and Crow acted as secretary. Those present at the meeting and the organizations represented were as follows:

ALEXANDER CUP

In the season 1950-51 the Association established the Major Series. The purpose of this series was to remove from Allan Cup competition those stronger clubs which for many years had dominated the play in that series and also to meet a request from such leagues for longer playing time in their own groups. His Excellency Viscount Alexander, Governor General of Canada, was most graciously pleased to donate a trophy for the new Major Series.

The Valleyfield Braves of the Quebec Senior Hockey League were fortunate in being the first club to have its name inscribed on this trophy. Subsequent winners were: Valleyfield Braves 1951, Quebec Aces 1952, Halifax Atlantics 1953 and 1954. Since 1954 there has been no competition in the Major Series.

ALLAN CUP

Sir H. Montague Allan donated the Allan Cup; C.V.O. shortly after the Stanley Cup became the championship trophy of the professional hockey clubs. While the Stanley Cup was an amateur trophy the proceeds from Cup games went to the competing teams, but this led to abuses of the principles of amateurism, owing to clubs gathering star players from all parts of the country, regardless of cost, knowing that if they got into a Stanley Cup series their share of the receipts would take care of the extra expenses in building up a championship team.

Upon the organization of the professional league the senior player who did not turn pro, retired from the game, which reduced senior amateur hockey to practically an intermediate basis, which, of course, greatly discouraged those interested in the amateur game, and it was at this stage that Northey prevailed upon Sir Montague to offer a trophy for the encouragement of the amateurs, and to safeguard it with such rules and regulations as to prevent it from ever becoming a menace to the sport it was designed to foster. It was decided to make the Cup a challenge trophy open to any senior club having won the championship of its league that year. The surplus proceeds after paying the legitimate expenses of the competing teams to be given to charity.

The Cup was presented to the Victoria Hockey Club of Montreal, and to be defended by the

champion of their league that year. The Cliffside of Ottawa was the first club to defend the Cup as Champions of the league in which the Cup was held. The Queen's University team of Kingston was the first challenger and was successful in winning the first series of matches for its possession.

From this time on, interest in the Allan Cup became greater each year until the challenges became so numerous that it was impossible for any team holding the Cup to defend it against all those clubs sending in challenges.

The trustees then arranged elimination games between teams from the same territory and also limited the number of times the holders could be called upon to defend the Cup in one season to three. Even this did not entirely eliminate the difficulties that the trustees had to contend with, and it was quite evident that some other method would have to be adopted in order to give satisfaction.

In 1914, Claude Robinson, who had for some time been acting as Western representative for the trustees, suggested that a governing body be formed. This idea was looked upon with favor by the trustees, and Robinson was asked to communicate with the various leagues and associations, and arrange for a meeting of representatives to discuss the project. This meeting took place in Ottawa at the close of the annual meeting of the A.A.U. of C. in December 1914, when Robinson outlined his plan, which met with the unanimous support of those present, and Hockey Canada was formed with Branches in the Provinces of Quebec, Ontario, Manitoba, Saskatchewan, Alberta and British Columbia. Dr. W.F. Taylor, of Winnipeg, was its first President.

The "Allan Cup" was accepted as the trophy emblematic of the senior amateur hockey championship of Canada, under the rules and regulations as enacted by the trustees of the Cup, and in accordance with the Deed of Trust.

The trustees continued to disburse a portion of the surplus funds to charity, but retained an amount each year for the purpose of building up a reserve fund to guard against the possibility of the receipts in some years being insufficient to meet the expenses of the competing teams.

During the period of the war it was difficult to get representatives from the various Branches to attend meetings of the Association, owing to the heavy cost of sending delegates, and in order to prevent representation by proxy it was agreed between the trustees from each Association that the expenses of one delegate from each Branch be paid out of the Cup funds, and that sufficient money be provided by the trustees to permit of the proper functioning of the Association as a governing body.

In 1920 the trustees financed the cost of sending a Canadian team to compete in the Olympic Games in Antwerp, and again in 1924 the sum of five thousand dollars was given to the Canadian Olympic Committee towards the expenses of the team that represented Canada at Chamonix.

Hockey Canada has fully justified its existence by becoming one of the largest governing

TROPHIES OF THE ASSOCIATION

bodies of amateur sport in Canada, and Claude Robinson, of Winnipeg, is entitled to be known as its founder.

In 1928 the Allan Cup was donated outright to Hockey Canada, the formal acceptance taking place at the Annual Meeting at the Chateau Laurier in Ottawa in March, when a Board of Trustees, consisting of C.A.H.A. members, was appointed for one year; the personnel being S.P. Quilty, Ottawa, ON; A.B. King, Okotoks, AB, and A.E. Gilroy, Portage la Prairie, MB. A vote of thanks was tendered to Sir Montague Allan for his generosity, and to Wm. Northey, of Montreal, and his co-workers on the Trustee Board on their retirement after many years of splendid service in the interest of amateur hockey.

At the Association Annual Meeting in Winnipeg in 1984 the classification of teams competing for the Allan Cup was changed to Senior AAA.

PATTON CUP (Retired)

This trophy was awarded for the championship of Senior hockey in Western Canada and was first competed for in 1925. It was presented by T.B. Patton.

G. P. Bolton Memorial Trophy (Retired)

In 1938 the Maritime Amateur Hockey Association provided this trophy to be emblematic of the Eastern Canada Senior Championship. The trophy is in memory of the late G.P. Bolton of Sussex, New Brunswick, one of the founders and the first president of the Maritime Amateur Hockey Association.

O.H.A. MEMORIAL CUP

The O.H.A. Memorial Cup was presented to Hockey Canada in March 1919 for the Canadian Championship of Junior teams in national competition in memory of the many Canadian hockey players who had made the supreme sacrifice for their country in the First Great War, 1914-1918.

Junior hockey was in its infancy across Canada at this time, but the presentation of the trophy for national competition provided the spark that was required to make it a very live issue throughout the Dominion.

The Ontario Hockey Association (O.H.A.) assumed the financial responsibility for the national Junior series in the first two years of operation. University of Toronto, O.H.A. champions won the first series in 1919. The Toronto students first defeated the Melville team of Montreal, and then won from the Regina Pats team, Abbot Cup winners in a two-game series at the Mutual Street Arena in Toronto, to take the first national championship. In 1920, the O.H.A. champions, the Toronto Canoe Club team, became the winners, defeating Loyola College of Quebec, Selkirks of Manitoba and Fort William Beavers of Thunder Bay in that order. First victory for Western

Canada was in 1921 when the Winnipeg Falcons defeated Regina Victoria's, Fort William Rangers and then Stratford Midgets in the two game total goal final at Toronto by eleven goals to nine. That victory established the series as a national championship and it has been one of the great annual hockey fixtures ever since.

However at the Association's Annual Meeting in 1970, Junior "A" hockey was divided into two classifications, namely Major Junior and Junior "A". The OHA, QJHL and WCJHL were placed in the Major Junior category leading to the Memorial Cup and all other Junior teams across the country who were previously entered in Memorial Cup playdowns were placed in the Junior "A" category and played off for a new national trophy presented by the MB AHA. In completing this re-classification of Junior hockey for the 1970-71 season, new trophies were accepted by the Association and other trophies re-assigned as follows:

- Canadian Major Junior Championship - OHA Memorial Cup.
- Eastern Canada Major Junior Championship - George T. Richardson Memorial Trophy.
- Western Canada Major Junior Championship - Monseigneur Athol Murray Trophy.
- Canadian Junior "A" Championship - Centennial Trophy (MB).
- Atlantic Canada Junior "A" Championship - Callaghan Cup.
- Central Canada Junior "A" Championship - Dudley-Hewitt Trophy.
- Western Canada Junior "A" Championship - Abbott Memorial Cup.

GEORGE T. RICHARDSON MEMORIAL TROPHY

The George T. Richardson Memorial Trophy was presented to Hockey Canada in April 1932 by James A. Richardson to perpetuate the memory of his brother, who died overseas. It is emblematic of the Eastern Canada Major Junior Championship and is a treasured trophy. Lieut. George T. Richardson was one of the hockey greats of Kingston and his fame endures forever as a great hockey person, as a good citizen and as a soldier, who gave up his life for his country.

CENTENNIAL TROPHY (MANITOBA) (Retired)

The Manitoba Centennial Trophy, dedicated to all who contributed to the growth of amateur hockey in Manitoba, was presented to the Association by the Manitoba Amateur Hockey Association to commemorate their centennial year of 1970. The trophy was emblematic of the Junior "A" Championship of Canada and was played for the first time in 1971.

CALLAGHAN CUP

This trophy is dedicated to Pius Callaghan for his outstanding contribution to amateur hockey in the province of Prince Edward Island. The trophy is emblematic of the Atlantic Canada Junior "A" Championship and was played for the first time in 1981.

TROPHIES OF THE ASSOCIATION

DUDLEY-HEWITT MEMORIAL TROPHY

This trophy was put up by the Association in memory of the late George Dudley and W.A. Hewitt, both outstanding contributors to amateur hockey. The trophy is emblematic of the Central Junior "A" Championship of Canada and was played for the first time in 1971.

ABBOTT MEMORIAL CUP (Retired)

Capt. E.L. (Hick) Abbott was a noted hockey player in Western Canada. He captained the Regina Victoria's when it won the Junior Championship of Canada in 1913 and 1914. Capt. Abbott died on active service in the war of 1914-1918 and the trophy was presented in his memory in 1919 by the Saskatchewan Amateur Hockey Association and is awarded annually for the championship of Junior "A" Hockey in Western Canada.

W.G. HARDY TROPHY (Retired)

Although Inter-Branch Intermediate competition had taken place for many years, a National Championship, under sponsorship of this Association, did not take place until the spring of 1968. Sept Iles Mineurs, Quebec, became the first National Champions when they defeated Meadow Lake Stampeders in a series played at North Battleford, SK.

A new trophy, emblematic of this championship, was presented by a group of North Battleford realtors and the trophy was subsequently accepted by Hockey Canada and named in honour of Dr. W.G. Hardy of Edmonton, Hockey Canada Life Member.

At the Association's Annual Meeting in Winnipeg in 1984, the classification of teams competing for the "Hardy Trophy" was changed to Senior AA. When Hockey Canada decided to terminate a National Championship at this level of competition, the Hardy Trophy was retired.

EDMONTON JOURNAL TROPHY (Retired)

Upon the establishment of competition between the Western Branches in Intermediate hockey The Journal of Edmonton presented a trophy to be emblematic of the championship of that series and this has done much to stimulate interest in Inter-Branch Intermediate competition in Western Canada, which has been conducted so successfully for many years.

COL. J. BOURQUE CUP

Eastern Canada has not engaged in Inter-Branch Intermediate competition as long as Western Canada but when this competition was commenced a trophy emblematic of the Eastern Canada Intermediate Championship was provided by Colonel J. Bourque.

WILLS INTERNATIONAL TROPHY

International competition has long been provided for and for many years competition has been carried on between clubs in the United States of America and Canada. In 1922, Hamilton B. Wills of Toronto provided this trophy to be emblematic of international competition between the United States of America and Canada.

TELUS CUP

With the introduction of Air Canada as the corporate sponsor of Hockey Canada came the birth of a National Midget Hockey Championship “The Air Canada Cup”, which was unveiled at the 1978 CHA Annual General Meeting in Regina, SK.

The first Air Canada Cup National Midget Hockey Championship was held in Winnipeg, MB April 16-22, 1979 with Sainte-Foy, Quebec capturing the title. The Air Canada Cup is now retired and a new trophy, the Telus Cup, has been created, recognizing the new corporate sponsor, Telus. The first Telus Cup was won by the Saskatoon Contacts in Gatineau, Quebec in April 2005.

The Telus Cup, recognized as one of amateur hockey’s most prestigious showcases, each year attracts the top Midget teams from the thirteen Branches of Hockey Canada.

ABBY (ABIGAIL) HOFFMAN TROPHY

This trophy was introduced in 1982 at the first National Women’s Hockey Championship held in Brantford, ON where the Ontario Women’s Hockey Association unveiled this trophy to be presented to the gold medalists.

Abby Hoffman is a noted sports figure across Canada, formerly holding the Director General’s position for Sport Canada, and played minor hockey on a boy’s team until it was discovered she was a female. This story broke and made headlines around the world as Abby aroused the hockey realms attention by displaying that females would like the opportunity to play hockey. In her later years, Abby assisted Hockey Canada and the Branches in implementing a national women’s hockey championship. As a result, it was the birth of the annual Senior “A” women’s hockey championship, with representation from each province vying to win this prestigious trophy.

The inaugural winner of this trophy was the Agincourt Canadians from Ontario.

FRED PAGE CUP

The Fred Page Cup was presented to Hockey Canada in 1995 by the Quebec Provincial Junior A Hockey League in recognition of the long time commitment which had been made by Fred Page to amateur hockey and particularly Junior hockey in Canada at both the Provincial level (British Columbia) and nationally. Fred Page was also a past President of the Canadian Amateur Hockey Association and was a long time life member (deceased) of this organization. It was won by the National de Joliette in 1995 and in 1996 was won by the Moncton Gagnon Beavers. The Fred Page Cup is emblematic of Junior A hockey supremacy in Eastern Canada.

TROPHIES OF THE ASSOCIATION

The RBC Cup was first played for in 1996 and was won by the Vernon Vipers of the BCAHA.
