

U9 League Games at the Hockey Hub YYC

Overview:

Following a successful partnership in 2021-22, Hockey Calgary and The Hockey Hub YYC have expanded their partnership to host U9 league games during the 2022-23 season. The goal is to allow every U9 team to play one game at the HHYYC over the course of the 2022-23 season.

- There is a possibility that due to schedule windows that a handful of teams will not be scheduled at the HHYYC
- There is a possibility that a handful of 'North' association teams will be scheduled for 2 games at the HHYYC

About Hockey Hub YYC

The Hockey Hub YYC is a new facility in Calgary with an ice surface that measures 142'x52' which is approximately half the total square footage of a traditional 200'x85' ice rink. However, this surface is longer and narrower than a half-ice U9 game.

- NHL Ice Surface – 200'x85' = 17,000 Square feet
- Hockey Calgary U9 ½ Ice Game – 100'x85' = 8,500 Square feet
- Hockey Hub YYC – 145'x52' = 7,540 Square feet

The format will allow players to play on a similar sized ice surface as a normal U9 game but with a more traditionally hockey rink shape.

Format:

- 2-hour permits – flood between each game (every 2 hours)
- Each team must equally divide their full team into **2 evenly balanced teams** (same as a normally game)
 - 1 half of the team will play in the 1st hour of the 2-hour game, the other half of the team will play in the 2nd hour of the 2-hour game
 - Ex. 8:00 AM Game Start

8:00 AM	Team A – Group 1	Team B – Group 1
9:00 AM	Team A – Group 2	Team B – Group 2

- 1 Referee will be provided for each hour
- Each half team will receive a dressing room area
- Teams are permitted to stay to watch their teammates, but must vacate their dressing room area to make room for the next team

On-Ice Rules:

- All U9-DL rules apply – please see the [Hockey Calgary Intro to Hockey Guide](#) for more details.

Key notes:

- No Offsides or Icing – despite blue lines on the ice surface
- 1 face-off to start each half
- 4v4 plus a goalie
