#### Jr. & Sr. Timbits

- **\*\*Out-of-Town** is defined as any rink outside of the Hockey Calgary Boundaries and thus requiring a travel permit. The reason for this limit is to help reduce the incremental costs associated with traveling to tournaments (hotels, food, gas, etc.)
- **Hockey Calgary Timbits Jamboree does not count towards any of the game limits**
- Any Timbits game hosted by a Hockey Calgary team/association must be played in a **Cross-ice format** (board to board, blueline down or between blue lines). However, teams are **permitted to play in a half-ice (goal line to redline) in games or jamborees hosted by other Minor Hockey Associations** provided they are sanctioned by Hockey Alberta. **Full ice games are not permitted.**

## Jr. & Sr. Timbits Game Play

- Games will be played split squad in a **Cross-Ice Format** (board to board, blueline down)
  - Half red vs. half blue at one end, & the other half of red & blue at the other end
  - Teams will kneel on the blue lines rather than use the benches
- 4 vs. 4 format plus 2 ‘acting goalies’ (no goalie equipment)
  - “Acting goalies” transition from “acting goalie” to ‘player’ after their shift
- Two face-offs during the game
  - One to start the game, and one to start the second half
- No official score will be posted
- No off-sides, No icing
- **Blue Pucks**
- The main score clock is used as the **time keeping device** for both games simultaneously
- **Coaches on the ice with skates.** There will only be a maximum of 4-5 players on each bench so this should be enough communication to players.

- Shifts
  - 1.5 minutes (90 seconds) in length
  - Resting players will take a knee on the blueline
  - When the buzzer/whistle sounds, players must relinquish control of the puck immediately and skate towards the blue line (players kneeling area) **with the exception of the ‘acting goalie’ who transitions to ‘player’ for the next shift**
  - 4 new skaters enter the game surface area
    - 3 as ‘players’
    - 1 as ‘acting goalie’
    - **Tag Up Rule:** If there are fewer than 4 players on the bench, the active player designated to stay out for the following shift must tag up at the bench prior to racing to the play the loose puck.
- The **‘Developmental Zone’** has been added to allow opportunities to provide **individual instruction** and attention to players. Players and coaches will use the zone to varying levels. Some players will simply enjoy kneeling, taking a rest, drinking some water, and cheering on their teammates, while other’s may require some individual coaching.
  - **The ‘Developmental Zone’ is designed for coaches to:**
    - Look for and address ‘coachable moments’ in games (ex. Coach notices a player’s passing is not accurate. Coach can take the player after their shift, correct the error, and execute a couple of repetitions within the 90 second rest)
    - Run an individual activity for a player who isn’t tired, who needs an increased challenge, or who has trouble sitting still
  - **The ‘Developmental Zone’ is NOT designed for Coaches to:**
    - Run full drills/activities between shifts
    - Grab each or a single player after every shift to work on skills
    - Over coach
