## Jr. \& Sr. Timbits

- **Out-of-Town is defined as any rink outside of the Hockey Calgary Boundaries and thus requiring a travel permit. The reason for this limit is to help reduce the incremental costs associated with traveling to tournaments (hotels, food, gas, etc.)
- Hockey Calgary Timbits Jamboree does not count towards any of the game limits
- Any Timbits game hosted by a Hockey Calgary team/association must be played in a Cross-ice format (board to board, blueline down or between blue lines). However, teams are permitted to play in a halfice (goal line to redline) in games or jamborees hosted by other Minor Hockey Associations provided they are sanctioned by Hockey Alberta. Full ice games are not permitted.

## Jr. \& Sr. Timbits Game Play

- Games will be played split squad in a Cross-Ice Format (board to board, blueline down)

○ Ex. Half red vs. half blue at one end, \& the other half of red \& blue at the other end

- Teams will kneel on the blue lines rather than use the benches
- Coaches are permitted, but not required, to split their mini teams into $A$ and $B$ rosters to ensure like abilities play together
- NOTE: Consultation should be done with the opposing coach ahead of time
- NOTE: In cases like these, teams do not switch ends at the half-way point.
- 4 vs. 4 format plus 2 'acting goalies' (no goalie equipment)
- "Acting goalies" transition from "acting goalie" to 'player' after their shift
- Two face-offs during the game
- One to start the game, and one to start the second half
- No official score will be posted
- No off-sides, No icing
- Blue Pucks
- The main score clock is used as the time keeping device for both games simultaneously

- Coaches on the ice with skates. There will only be a maximum of 4-5 players on each bench so this should be enough communication to players.
- Shifts
- 1.5 minutes ( 90 seconds) in length
- Resting players will take a knee on the blueline
- When the buzzer/whistle sounds, players must relinquish control of the puck immediately and skate towards the blue line (players kneeling area) with the exception of the 'acting goalie'
who transitions to 'player' for the next shift
- 4 new skaters enter the game surface area
- 3 as 'players'
- 1 as 'acting goalie'
- Tag Up Rule: If there are fewer than 4 players on the bench, the active player designated to stay out for the following shift must tag up at the bench prior to racing to the play the loose puck.
- The 'Developmental Zone' has been added to allow opportunities to provide individual instruction and attention to players. Players and coaches will use the zone to varying levels. Some players will simply enjoy kneeling, taking a rest, drinking some water, and cheering on their teammates, while other's may require some individual coaching.
- The 'Developmental Zone' is designed for coaches to:
- Look for and address 'coachable moments' in games (ex. Coach notices a player's passing is not accurate. Coach can take the player after their shift, correct the error, and execute a couple of repetitions within the 90 second rest)
- Run an individual activity for a player who isn't tired, who needs an increased challenge, or who has trouble sitting still
- The 'Developmental Zone' is NOT designed for Coaches to:
- Run full drills/activities between shifts
- Grab each or a single player after every shift to work on skills
- Over coach
