Hockey Calgary is continuing with the “Game Reschedule Policy” for the 2026-2027 season that will allow U7 to U18 teams access to request a game reschedule to attend an additional tournament, for a fee, during the Seeding Round or Regular Season.

All Game Reschedule Requests must follow the criteria and guidelines as laid out in the Game Reschedule Policy.

Hockey Calgary strongly recommends teams do not commit to tournaments (especially during the Seeding Round) until you have received official confirmation from Hockey Calgary of the approved game reschedule.

Games will not be rescheduled if the criteria has not been met. There will be no exceptions made to reschedule games that do NOT meet the criteria or if the team has committed without having approval to do so.

Teams that choose to attend a tournament without having official confirmation of a game reschedule will be subject to suspension of the head coach and a possible fine.

Please refer to the [GAME RESCHEDULE POLICY](#) for full information.

ARENAS THAT FALL WITHIN THE RADIUS TO NOT BE COUNTED TOWARDS THE OUT-OF-TOWN TOURNAMENT TOTAL

Hockey Calgary has included rinks within 70km from the center of Calgary (using Google Maps) for the purpose of teams hosting or attending tournaments that will not count towards the teams out of town tournament count.

These rinks are a reasonable distance that likely wouldn't require a hotel stay with minimal increased travel expenses.

Tournaments hosted at these rinks will still require tournament hosts to secure their own officials. Officials will not be assigned by Hockey Calgary.

Teams are still required to request a Travel Permit to attend.

TOURNAMENT SANCTIONS

Member Club Hosted Tournaments

Hockey Calgary will approve all Member Club hosted tournaments at the start of the 2026-2027 season in advance of team tournament requests. These tournaments will be sanctioned beginning July 15.

In Town Tournament Requests During Tournament Breaks (rinks within Hockey Calgary boundaries)

Hockey Calgary will approve a maximum number of tournaments within each Age Category and Tier during each weekend of the Preseason, Season Break, Winter Break and Post Season.

Rationale

This will ensure:

- The availability of qualified officials so tournament games can be played in a safe manner.
- Tournaments are not cancelled due to lack of teams or interest.
- Calgary's ice pool is utilized in an effective manner.

Guidelines

- Tournament Naming – the name of the tournament will be reviewed and approved. Please keep the naming convention age appropriate and respectful.
- Each Member Club may request a maximum of 5 tournaments per weekend, with no more than 2 within the top 3 tiers of the same age category. This includes both Member Club and Team requests.
- Hockey Calgary will manage approval of tournament requests to ensure the number of tournaments does not exceed the number in the table below.
- Tournament format must be a maximum of 4 teams and 8 games, excluding U7 (Timbits).
 - Exceptions may be made for tournaments with out-of-town teams attending where the total number of tournament games that weekend does not exceed the Central Region maximum.
- Hockey Calgary does not recommend U11 to U18 teams host in town tournaments during the Adrenalin City Championships (February 22 to March 17). Tournament Sanctions may be approved

HOCKEY CALGARY

during this time with the understanding that in the event of a schedule conflict, the Adrenalin City Championship games will take priority and will be played as scheduled.

- Tournament sanction requests will remain pending until the listed approval date.
 - If the number of requests is within the limitations detailed in the chart, requests will be approved within 24 hours of the approval date
 - If the number of requests exceeds the limitations, a random draw will be made from all requests and those drawn will be approved within 24 hours of the approval date

Out of Town Tournament Requests (rinks outside Hockey Calgary boundaries)

Hockey Calgary will consider tournament requests for out-of-town tournaments during Preseason, Season Break, Winter Break, Regular Season and Post Season.

HOCKEY CALGARY

Guidelines

- Each team may **HOST** a maximum of 1 out of town tournament during the full season
- Tournaments are limited to a maximum of 4 Calgary teams if held during Regular Season, you may host a larger tournament if teams from outside Calgary boundaries are attending.
- To minimize financial exposure, Hockey Calgary recommends:
 - Host teams do not sign ice contracts until their tournament sanction has been approved.
 - Ensure local ranked and certified officials are available through the Referee in Chief or their designate from the Local Minor Hockey Association in the jurisdiction where the games are being played before requesting their tournament sanction.
- Tournament sanction requests will be approved within 5 business days of submission.
- The rationale behind placing a maximum limit on the number of out-of-town tournaments teams can host or attend is to minimize the financial impact for families and to ensure that participating in community hockey can be accessible for all.

Teams hosting or attending are required to use their **2 Schedule Windows** if scheduled within the Regular Season. If a team does not use their Schedule Windows, Regular Season games must be played as scheduled in the event of a conflict.

- If the local Assignor and Central Region cannot assign officials, the tournament may be cancelled.
- **Teams are not permitted to source officials on their own.**
- If tournament organizers do not comply with the above conditions and/or source officials without the approval of Central Region or the local Assignor, the Team Manager and Head Coach of the host team will be suspended.
