

## PROVINCIAL ELIGIBILITY & GUIDELINES 2021-22 FEMALE HOCKEY

*Eligibility – All teams participating in ‘Female Leagues’. Female teams participating in Hockey Calgary Community Tiered Leagues will be eligible for those Provincials Championships only.*

### U13 – (March 31-April 3, 2022)

- Hockey Calgary will participate in the following divisions:
  - U13 B (U13 Female)
- The HC Representative will be the regular season **‘League Champion’**
- In cases where two or more teams are tied in points, the tie will be broken as follows and in the order indicated:
  - If the tied teams have played each other an equal number of times, league positions are assigned based on results of games between the tied teams. The team with the highest number of points in the games between the tied teams takes the top available position and so on until all available positions have been filled. If the tied teams have not played each other an equal number of times or if teams are still tied then:
    - Tied teams are assigned league positions based on number of wins, with the largest number of wins taking top available ranking, and so on.
    - For teams that are still tied, league positions will be assigned based on the ratio of goals for divided by goals against for all league games played, with largest ratio taking top available position and so on.
    - If teams remain tied, Hockey Calgary will resolve the final positions. This will be done by scheduling games, where possible, or by resorting to coin toss, at the discretion of Hockey Calgary, after taking into account the number of tied teams and the timing of playoff games.
