# Which Age Division Will I Register My Child In?

- Your child's age as of December 31 of the current playing season determines which age group they will play in. These divisions are listed on the Hockey Calgary website under the "Registration" button "Registration FAQ's"

The screenshot shows a web browser window with the URL <https://www.hockeycalgary.ca/registration/faqs>. The page content includes:

- Hockey Calgary office and we would be happy to assist you. [Contact Hockey Calgary](#)**
- Do Players Have To Register With Their Designated Hockey Association?**  
If a player wishes to register with a Hockey Association other than their designated Association they must complete the Release Request form available under the **Forms** button. Requests are considered based on the Release Criteria described in the Hockey Calgary Operations Manual available under the **Operations** button. Players are not eligible to register at their preferred Association without notification from the Hockey Calgary Registrar that their release has been approved.
- What Are The Age Categories?**
  - Timbits Flames (5/6 year olds)
  - Novice (7/8 year olds)
  - Atom (9/10 year olds)
  - Pee Wee (11/12 year olds)
  - Bantam (13/14 year olds)
  - Midget (15/16/17 year olds)
  - Junior (18/19/20 year olds)
- Player age as of December 31 of the current season
- Do Players Have To Register Within The Proper Age Category?**  
Hockey Canada does permit overage players but only under very specific conditions. It should be noted the instance of Overage Status is more prevalent in rural leagues - the number of teams and divisions in the Calgary leagues provide a better opportunity for beginner players or those with limited skill to participate within their proper age category. On average, Hockey Calgary approves one (1) or two (2) overage players every season, generally for health related reasons. For more information go to the Hockey Calgary's Operations Manual under the Operations button.

On the right side of the page, there are several promotional banners:

# What Equipment Will I Need?

- On the Hockey Calgary website under the “Resources” button, you will find “Equipment Care” This is a complete listing of all the necessary equipment to play minor hockey.

The screenshot shows the Hockey Calgary website's 'Equipment & Care' page. The browser address bar displays 'https://www.hockeycalgary.ca/resources/equipment-care'. The website header includes the 'Hockey Calgary' logo, navigation links (About, Registration, Operations, Resources, Events, News), and a sidebar menu with categories like 'MEMBERS MEETINGS', 'REGULATIONS AND BYLAWS', 'COACHES', 'TEAM MANAGERS', 'PLAYERS', 'OFFICIALS', 'EQUIPMENT CARE', 'INJURY INFO', 'FUNDRAISING', 'OTHER ASSOCIATIONS AND LEAGUES', and 'HOCKEY SCHOOLS'. The main content area is titled 'Equipment & Care' and features a red banner with the text 'HOME > RESOURCES > EQUIPMENT CARE'. Below this, a paragraph states: 'It is important to wear your equipment properly and to keep your equipment clean!'. The page lists three types of equipment with images and descriptions: 1. Underwear - Wear light fitting, cool, comfortable undergarments during all games and practices. When fitting all other equipment, the same undergarments should be worn in order to get the proper sizing and wash after every use. 2. Jock (Jill) Strap - This piece of equipment should be fitted according to waist size and should feel comfortable for the player. Tears, especially where the two leg straps attach to the protective cup, should be properly repaired or replaced immediately. Protective cups come in sizes to suit all players. 3. Shin Pads - When sizing, wear loosely fitting skates in order to get the proper length of the shin pad. The cap of the shin pad should be centred on the kneecap. The bottom of the pad should fit where the foot and the leg meet at a 90-degree angle. If the pad is too short, an unprotected area above the skate will be exposed. If the pad is too long, it will restrict movement and create discomfort for the player. Shin pads are sized in inches and come in both junior and senior sizes. Cracked pads should be replaced. On the right side of the page, there is a section titled 'UPCOMING EVENTS' with two events: '2014-02-12 DEADLINE: March Tournament Sanctions' and '2014-02-19 CDC City Championships Begin'. Below this is a 'View More Events' link. At the bottom right, there is a 'FIND AN ARENA' link with a location pin icon. The footer includes a sponsor logo for 'Lifetouch SPORTS' and a message: 'MISSED YOUR TEAM PHOTO? THAT'S OK! STILL BE IN THE PHOTO EVEN IF YOU'RE LATE!'.
