### OVERTIME FORMAT:

If teams are tied at the end of regulation, overtime will commence in the following manner;

- a)
  1. The first five (5) minutes of a twenty (20) minute overtime period will be played 4 on 4 (plus goalie);
  2. If the teams are still tied the next fifteen (15) minutes will be played 3 on 3 (plus goalie);
  3. If the teams are still tied at the end of the 20 minute overtime period and permit time remains, a second 20 minute overtime period will commence with the teams playing 3 on 3 (plus goalie). The game will end when the permit time has expired regardless of outcome.
- b) If the game remains tied and cannot be concluded due to unforeseen circumstances, and timing does not permit scheduling additional ice to complete the overtime, the team that scored first in the game in question shall be declared the winner.
- c) If the game ends 0-0 then the team with the fewest penalty minutes in regulation will be declared the winner.
- d) If the teams are still tied in penalty minutes then the team with the most goals in the current playoff series will be declared the winner.
- e) If the teams are tied as this is the first game of the series then the team with the most goals in the regular season will be declared the winner.
- f) If the teams are still tied then the team with the fewest goals against in the regular season will be declared the winner.
- g) If the teams are still tied then the higher ranked team in the regular season standings will be declared the winner.

Provincials: March 28-31, 2019 in Edmonton.
