

## **Developing a Mentorship Program in Minor Hockey**

### **Project Objectives**

- 1. Design and Implement a Coach Mentorship Program
- 2. Evaluate the Current Situation and Needs of the Minor Hockey Association
- 3. Develop Initiatives To Address The Needs of the Minor Hockey Association

#### **Proposed Project & Initiatives**

Designing initiatives using information gathered from evaluation surveys and workshops is the main step in moving forward with a critical path and putting something tangible in place.

## **Evaluate the Association and Identify Needs** ☐ Board evaluation & membership surveys ☐ Member survey designed with input from directors ☐ Coach mentor initiatives (if any) □ Include directors and coaches ☐ Make recommendations for 2007-08 initiatives Conduct a Strategic Planning Workshop **Conduct a SWOT Analysis** ☐ Summary to be combined with member & board surveys & mentorship evaluation □ 2-3 hour workshop meeting **Identify Development Goals and Priorities for the Association** ☐ 2-3 workshop meeting with directors, targeted coaches and parents **Conduct a Visioning Process for Coach Mentorship Program** ☐ Workshop with coaches, directors and representative group of parents ☐ Identify outcome expectations for all categories ☐ Identify mentorship program outcomes & success factors Train Mentors to Support Development Initiatives ☐ One day workshop 6-8 hours ☐ Incorporate branch / mentor training & development programs as well as components specific to the MHA
